The UAE Vision 2021, launched in 2014 by H.H. Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE, and Ruler of Dubai, is structured around six national priorities. These priorities define key focus areas for the government's future initiatives. Among them is the priority of "First-Rate Education," which encompasses eight specific targets and indicators, including the international assessment target of ranking among the top 20 countries in the Programme for International Student Assessment (PISA).

PROGRAMME FOR INTERNATIONAL STUDENT ASSESSMENT (PISA)

Programme for International Student Assessment (PISA) was created by the Organisation for Economic Co-operation and Development (OECD), PISA tests the skills and knowledge of 15-year-old students in Mathematics, Reading and Science.
